Meet Vanessa.

Founder, New Earth Collab - A collaboration community, referral network, & impact accelerator for transformational businesses stepping out of lone wolf mode and building their businesses in community with others on the same mission.

Host, Check the Energy podcast, where we talk about the paradigm shift, your purpose role within it, how to best navigate the underlying energetics, & optimize your vitality along the way.

Creator, Energy Guide Program, to fully & finally understand your sensitivity, activate your innate psychic gifts, and turn your sensitivity into service. Empath & Certification tracks available.

Mentor, Guide, & Coach for transformational healers, teachers, and messengers ready to step into a new paradigm version so they can own who they are here to be, what they are here to do, and go after what they truly desire & are called to.

Signature Speaking Topics

- Owning your new earth leadership with soul level confidence.
- Your healing journey & the role vision plays in lighting the way.
- Vitality, vision, & voice as the foundation for transforming your life.
- Empath as the new human & the higher purpose for energy sensitivity.
- The spiritual identity upgrade happening & how it shifts the paradigm.

You are here for a reason
